

“It is not easy to see how the more extreme forms of nationalism can long survive when men have seen the Earth in its true perspective as a single small globe against the stars...”

Arthur C Clarke, The Exploration of Space (1951)

If you're fascinated by what you read in Principium, and want to help us turn science fiction into science fact, it's time to become an i4is member!

i4is is a growing community of enthusiasts who are passionate about taking the first steps on the path toward travel beyond our solar system. Our ambitions are high, but to achieve them we need your support.

From theoretical research to hands-on development, our projects are paving the way for interstellar exploration and inspiring new generations of scientists, engineers, and dreamers who dare to imagine a future among the stars. Imagine a world where you can play a direct role in humanity's most audacious endeavour – reaching other star systems. i4is is not only advancing research but also igniting the passion for interstellar exploration in schools and universities worldwide.

As an i4is member, you won't just be following the journey – you'll be a vital part of it!

Members have access to exclusive benefits, including:

- regular newsletters keeping you up to date with the latest interstellar news;
- early access to selected Principium articles before public release;
- videos of i4is lectures and presentations; and
- corporate publications, including our progress report.

Join i4is now and help us build our way to the Stars! Take a single step to i4is.org/membership to start your journey. Discounted rates for students, senior citizens and BIS members. *Students are eligible for a 90% discount!*

Together, we'll turn humanity's greatest dream into reality. The stars are waiting—let's go to meet them!
